

Byron Union School District

Refined Vision, Mission, and Guiding Principles:

Vision: Each and every student in the Byron Union School District will receive an education that celebrates learning and fosters a lifelong desire to seek knowledge and understanding.

Mission: The Byron Union School District will maintain safe, engaging, and vibrant schools that promote a learning environment of continuous academic and personal growth. Knowing that our community has placed its trust in us, we are fully committed to the success of our children.

WE WILL:

Value the talents, backgrounds, and unique qualities of all members in our learning community

Recognize the importance of social justice and equity

Inspire academic excellence and the development of strong character

Build supportive relationships that encourage individual growth and personal responsibility

Engage all students to become responsible and contributing members of society

Governing Principles:

1. Give children the opportunity for **self-discovery**.
2. Make sure children meet with both **triumph and defeat**.
3. Give the children the opportunity to **contribute to the common cause**.
4. Provide periods of **silence**.
5. Nurture the **imagination**.
6. Make **games** important but not predominant.
